

## VPWL Solos Group

The Solos group offers a chance for the single ladies in Villa Park to meet and mingle on the second Thursday evening of each month. We enjoy the support and understanding that we can share with each other, and we love exploring local restaurants and spending time together. Each member of the group serves as hostess or co-hostess for one month of the year. The hostesses choose the evening's schedule, which can be a potluck in someone's home, a take-out dinner with shared costs, or dinner at a restaurant. It is the hostess' responsibility to inform the other members of the evening's details, either by flyer, e-mail, or phone call. The goal is to have a warm and friendly evening that everyone can enjoy. If you are single, you are very welcome to join our lively group!
